INTERPROVINCIAL COMPETITION POLICY

- Football BC has the sole responsibility for sanctioning a teams participation in inter-provincial play.

- Where inter-provincial play is the result of a qualification process (ie. National Championships) the provincial champion team will be selected to represent the province.

- In the event that provincial champions have been disqualified or are under suspension the next best team will be selected.

- Wherever possible, when a team travels, Football BC may send one Board Member to act as an observer of the teams performance and overall competition. The expenses of the observer will be covered by BCPFA.
